

SUSL 3MT Competition 2024

14th Annual Research Session 2024

SABARAGAMUWA UNIVERSITY OF SRI LANKA

Sabaragamuwa
University of Sri Lanka

RULES AND GUIDELINES OF THE COMPETITION

The Sabaragamuwa University of Sri Lanka, with permission from the University of Queensland is organizing the Three-minute thesis competition (3MT) in line with the Annual Research Sessions (2024).

WHY 3MT IS IMPORTANT?

It helps to develop academic, presentation, and research communication skills of young researchers. Presenting in a 3MT competition increases their capacity to effectively explain their research in three minutes, in a language appropriate to a non-specialist audience.

By introducing 3MT for Sabaragamuwa University we believe that multiciliary scholar engagement could be developed promoting new research areas to be investigated. This further strengthen the research capabilities of the university in new dimensions. Finally, 3MT is quite vibrant and enjoyable for scientific community at SUSL.

ELIGIBILITY:

To be eligible, an applicant must:

- 1 be a permanent/ temporary academic staff member of Sabaragamuwa university of Sri Lanka or postgraduate student of the faculty of graduate studies, Sabaragamuwa university of Sri Lanka; and
- 2 be in the second or higher year of an MPhil or a PhD program or have completed the MPhil or PhD degree between December 2023, and December 2024.

AWARDS

The first and second winners of the competition will be awarded an attractive financial award as an appreciation.

All participants will receive a university certificate as an appreciation.
